

# The River

## Imagine Dragons

In the latest midnight hour  
When the world has gone to sleep  
You gotta get up  
When doubts begin to rise  
And the world is at your feet  
You gotta get upReach, It's not as bad as it seems  
I cleanse in the river for somebody else  
For anyone but myself  
I'm not a selfless man  
I'm not a man of wealth  
If I had all the world  
Probably give it to myself  
But the trees begin to walk  
And the ground begins to talk  
And myselfReach, It's not as bad as it seems  
I cleanse in the river for somebody else  
For anyone but myselfHold my place  
Don't you give up on me  
Hold on... Hold on  
Reach, It's not as bad as it seems  
I cleanse in the river for somebody else  
For anyone but myself  
Reach, It's not as bad as it seems  
I cleanse in the river for somebody else  
For anyone but myself
