

# Call Out My Name

## The Weeknd

We found each other  
I helped you out of a broken place  
You gave me comfort  
But falling for you was my mistake I put you on top, I put you on top  
I claimed you so proud and openly  
And when times were rough, when times were rough  
I made sure I held you close to me So call out my name (call out my name)  
Call out my name when I miss you  
So gently, I want you to stay (want you to stay)  
I want you to stay even though you don't want me  
Girl, why can't you wait? (why can't you wait, baby?)  
Girl, why can't you wait 'til I fall out of love?  
Won't you call out my name? (call out my name)  
Girl, call out my name and I'll be on my way  
And I'll be on my—  
I said I didn't feel nothing, baby, but I lied  
I almost cut a piece of myself for your life  
Guess I was just another pitstop  
'Til you made up your mind  
You just wasted my time You're on top, I put you on top  
I claimed you so proud and openly, babe  
And when times were rough, when times were rough  
I made sure I held you close to— So call out my name (call out my name, baby)  
Call out my name when I kiss you  
So gently, I want you to stay (I want you to stay)  
I want you to stay even though you don't want me  
Girl, why can't you wait? (girl, why can't you wait til' I-)  
Girl, why can't you wait til' I fall out of loving?  
Babe, call out my name (say call out my name, baby)  
Just call out my name, and I'll be on my way  
Girl, I'll be on my—  
On my way, all the way  
On my way, all the way, ooh  
On my way, on my way, on my way  
On my way, on my way, on my way  
(On my)
