

# Naked

## Avril Lavigne

I wake up in the morning  
Put on my face.  
The one that's gonna get me  
Through another day.  
Doesn't really matter  
How I feel inside.  
This life is like a game sometimes...  
Then you came around me  
The walls just disappeared.  
Nothing to surround me  
Keep me from my fears  
I'm unprotected  
See how I've opened up  
Oh, you've made me trust  
Cause I've never felt like this before  
I'm naked around you  
Does it show?  
You see right through me  
And I can't hide  
I'm naked around you  
And it feels so right.  
I'm trying to remember  
Why I was afraid  
To be myself  
And let the covers fall away  
Guess I never had  
Someone like you  
(To help me) To help me fit  
In my skin  
I've never felt like this before  
I'm naked  
Around you  
Does it show?  
You see right through me  
And I can't hide  
I'm naked  
Around you  
And it feels so right  
I'm naked  
Oh oh yeah  
Does it show?  
Yeah, I'm naked

Oh yeah, yeah, yeah, yeah, yeah  
oh oh  
I'm naked around you  
does it show?  
I'm so naked around you  
and I can't hide  
you're gonna, you're gonna see right through...  
(see right through me and I cant hide)  
You're gonna see right through  
oh yeah  
I'm so naked around you  
And I can't hide  
You're gonna see right through  
baby
