

# Shivers

## Ed Sheeran

I took an arrow to the heart  
I never kissed a mouth that tastes like yours  
Strawberries and somethin' more  
Ooh yeah, I want it all  
Lipstick on my guitar (ooh)  
Fill up the engine, we can drive real far  
Go dancin' underneath the stars  
Ooh yeah, I want it all  
Mm, you got me feelin' like  
I wanna be that guy, I wanna kiss your eyes  
I wanna drink that smile, I wanna feel like I'm  
Like my soul's on fire, I wanna stay up all day and all night  
Yeah, you got me singin' like  
Ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
And we'll say, ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
Into the car  
On the backseat in the moonlit dark  
Wrap me up between your legs and arms  
Ooh, I can't get enough  
You know you could tear me apart (ooh)  
Put me back together and take my heart  
I never thought that I could love this hard  
Ooh, I can't get enough  
Mm, you got me feeling like  
I wanna be that guy, I wanna kiss your eyes  
I wanna drink that smile, I wanna feel like I'm  
Like my soul's on fire, I wanna stay up all day and all night  
Yeah, you got me singin' like  
Ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
And we'll say, ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back  
Baby, you burn so hot

You make me shiver with the fire you got  
This thing we started, I don't want it to stop  
You know you make me shiver-er-er  
Baby, you burn so hot  
You make me shiver with the fire you got  
This thing we started, I don't want it to stop  
You know you make me shiver  
Yeah, you got me singin' like  
Ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back (oh no)  
And we'll say, ooh, I love it when you do it like that  
And when you're close up, give me the shivers  
Oh baby, you wanna dance 'til the sunlight cracks  
And when they say the party's over, then we'll bring it right back, hey
