

# Broken

Leona Lewis

Mmm... Hmm... Mmm...

You can take away all my love, what do I need it for?

You can take away all these words, there's no meaning anymore

You can take away everything, leave me lying on the floor

All those sorry's, we can't go back to the start You can't fix me, I'm torn apart

I wanna run away from love, this time I have had enough

Every time I feel your touch I'm broken

Shattered all the pieces and parts, never thought I'd fall so hard

I'm putting back together my heart, it's broken

You can take these photographs, watch them fade away oh

You can throw away all these letters, I don't care about what they say

All those sorry's, there's a million reasons why You can't mend me, don't even try

I wanna run away from love, this time I have had enough

Every time I feel your touch I'm broken

Shattered all the pieces and parts, never thought I'd fall so hard I'm putting back together my  
heart, I'm broken

I know it's gonna take some time to finally realize

I got nothing left inside, nothing to hide

I'm broken, I'm broken, my heart is oh oh oh

I'm broken, I'm broken, there's nothing left inside

Oh oh oh oh oh oh Save me

I wanna run away from love, this time I have had enough

Every time I feel your touch I'm broken

Shattered all the pieces and parts, never thought I'd fall so hard

Putting back together my heart, together now, I'm broken

Oh, Oh, Oh, Oh, I'm broken

Oh, Oh Oh, Oh, Save me

Oh, Save, Me

I'm broken
