

# Drive

Trevor Daniel

[Verse]

Pedal to the floor now  
Plenty room for you and I  
Don't think we ever gonna slow?down  
And?I don't know?what we're looking for but I?hope we find it

[Chorus] x2

Drive, drive  
Baby we gotta go now, are you down to ride?  
Drive, drive  
Going with or without you, not gonna waste my time

[Bridge]

Backsplash?  
Just leave my baby by my side  
No, no turning back  
Tell me if you down to ride

[Chorus] x2

Drive, drive  
Baby we gotta go now, are you down to ride?  
Drive, drive  
Going with or without you, not gonna waste my time

[Instrumental]
