

The Return of Chip Douglas

Kid Cudi

Get myself a new friend
Get myself a new friend
Get myself a new friend
And she's not a nuisance
And she's not a nuisance
And she's not a nuisance
Get myself a new friend
Get myself a new friend
Get myself a new friend
She doesn't think I'm stupid
She doesn't think I'm stupid
She doesn't think I'm stupid
She's not a nuisance
Oh she's not a nuisance
Oh she don't think I'm stupid
Get myself a new friend
There she is [?]
Get myself a new friend
Get myself a new friend
Get myself a new friend
And she's not a nuisance
Oh she is a shoe in
Got myself a new friend
And she's not a nuisance
Touching me
Get myself a new friend
Get myself a new friend
Get myself a new friend
Get myself a new friend
Get myself a new friend
Get myself a new friend
And she's not a nuisance
And she's not a nuisance
She doesn't [?]
He doesn't think I'm stupid
She doesn't think I'm stupid
She doesn't think I'm stupid
She doesn't think I'm a weirdo
She doesn't think I'm a weirdo
She doesn't think I'm a weirdo
All she wants to do is blow me
Suck on my cock and blow

Suck on my cock and chock me
Get myself a new friend
Get myself a new friend
Get myself a new friend
Ya she is shoe in
No she's not a nuisance
Get myself a new friend
New friend
