

# Beam Me Up

P!nk

[Verse 1]

There's a whole 'nother conversation going on  
In a parallel universe  
Where nothing breaks and nothing hurts  
There's a waltz playin' frozen in time  
Blades of grass on tiny bare feet  
I look at you and you're lookin' at me

[Chorus]

Could you beam me up?  
Give me a minute, I don't know what I'd say in it  
I'd probably just stare, happy just to be there, holding your face  
Beam me up  
Let me be lighter, I'm tired of being a fighter  
I think a minute's enough  
Just beam me up

[Verse 2]

Saw a blackbird soarin' in the sky  
Barely a breath I caught one last sight  
Tell me that was you sayin' goodbye  
There are times I feel the shiver and cold  
It only happens when I'm on my own  
That's how you tell me I'm not alone

[Chorus]

Could you beam me up?  
Give me a minute, I don't know what I'd say in it  
I'd probably just stare, happy just to be there, holding your face  
Beam me up  
Let me be lighter, I'm tired of being a fighter  
I think a minute's enough  
Just beam me up

[Bridge]

In my head, I see your baby blues  
I hear your voice and I, I break in two  
And now there's one of me, with you  
So when I need you, can I send you a sign?  
I'll burn a candle and turn off the lights

I'll pick a star and watch you shine

[Chorus]

Just beam me up

Give me a minute, I don't know what I'd say in it

I'd probably just stare, happy just to be there, holding your face

Beam me up

Let me be lighter, I'm tired of being a fighter

I think, a minute's enough

Beam me up

[Outro]

Beam me up

Beam me up

Could you beam me up?
