Futuristic next level
Never on that typical
Will I stop? I'll never know
I ain't gonna stop until I'm done (don't stop it)
I ain't gonna quit until I've won
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
You cannot stop us now I ain't gonna stop until I'm done (don't stop it)

Don't stop the party You could call me "crazy man"
Every day I'm partying
You could find me at the club
Popping bottles, mingling Ladies dancing to the jam
Acting naughty, man oh man
Got me in the mood again
After party, partying Yeah, I keep it happening
Taking shots, whatever, man
Party like a veteran
Music is my medicine You won't find me settling
Can't be stopped, I'm stepping in
Keep it going till the end
Yeah, that's right, here we go again I'm that one that lights it up
We red hot like fire trucks
Burn that book 'cause that's what's up
Tell that DJ turn it up We dropping that music
For people all around
Keep rocking, head knocking
'Cause they can't shut us down Ain't, ain't no stopping
We gon' keep on rocking
Baby, ain't no stopping
You cannot stop us now I ain't gonna stop until I'm done (don't stop it)
I ain't gonna quit until I've won
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it (stop it, stop it)
