

# Control

## Doja Cat

[Verse]

I act like I don't want you  
Like it's whatever  
Shit it ain't a thing  
When really I wanna flaunt you  
You really need a queen  
So be a, be a king

[Chorus]

Anything you know, you might have every idea  
You know  
Anything you know, you might have every idea  
You know  
Anything you know, you might have every idea  
You know  
Anything you know, you might have every idea

[Post-Chorus]

Oh, uh, way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high

[Bridge]

I'm not under your control  
Baby you ain't got the whole, no  
I'm not under your control  
Baby you ain't got the whole, no  
I'm not under your control  
Baby you ain't got the whole  
The whole

[Chorus]

Anything you know, you might have every idea  
You know  
Anything you know, you might have every idea

You know  
Anything you know, you might have every idea  
You know  
Anything you know, you might have every idea

[Post-Chorus]  
Oh, uh, way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high  
Way up high  
Way up, up high
