Lose You to Love Me

Selena Gomez

In your eyes there's a heavy blue
One to love and one to lose
Sweet divine, the heavy truthWater or wine, don't make me chooseI wanna feel the way that we did that summer night, night
Drunk on a feeling, alone with the stars in the skyI've been running through the jungle
I've been running with the wolves
To get to you, to get to youI've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to youI've looked for love in every stranger
Took too much to ease the anger
All for you, yeah, all for you
I've been running through the jungle
I've been crying with the wolves
To get to you, to get to you, oh, to get to youOh, to get to you
Oh, to get to youYour fingertips trace my skin
To places I have never been
Blindly, I am following
Break down these walls and come on inI wanna feel the way that we did that summer night, night
Drunk on a feeling, alone with the stars in the skyI've been running through the jungle
I've been running with the wolves
To get to you, to get to youI've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to you
I've looked for love in every stranger
Took too much to ease the anger
All for you, yeah, all for youI've been running through the jungle
I've been crying with the wolves
To get to you, to get to you, oh, to get to youOh, to get to you
Oh, to get to youI've been running through the jungle
I've been running with the wolves
To get to you, to get to youI've been down the darkest alleys
Saw the dark side of the moon
To get to you, to get to youI've looked for love in every stranger
Took too much to ease the anger
All for you, yeah, all for youI've been running through the jungle
I've been crying with the wolves
To get to you, to get to you, oh, to get to you
