## Rise Against

It kills me not to know this but I've all but just forgotten  
What the color of her eyes were and her  
scars or how she got them  
As the telling signs of age rain down a single tear is dropping  
Through the valleys of an aging face that this world has forgotten  
There is no reconciliation that will put me in my place  
And there is no time like the present to drink these draining seconds  
But seldom do these words ring true when I'm constantly failing you  
Like walls that we just can't break through until we disappear  
So tell me now  
If this ain't love then how do we get out?  
'Cause I don't know  
That's when she said I don't hate you boy  
I just want to save you while there's still something left to save (whoa, whoa)  
That's when I told her I love you girl  
But I'm not the answer for the questions that you still have  
Whoa, whoa  
But the day pressed on like crushing weights  
For no man does it ever wait  
Like memories of dying days  
That deafen us like hurricanes  
Bathed in flames we held the brand  
Uncurled the fingers in your hand  
Pressed into the flesh like sand  
Now do you understand?  
So tell me now  
If this ain't love then how do we get out?  
'Cause I don't know  
That's when she said I don't hate you boy  
I just want to save you while there's still something left to save (whoa, whoa)  
That's when I told  
her I love you girl  
But I'm not the answer for the questions that you still have  
Whoa, whoa  
One thousand miles away  
There's nothing left to say  
But so much left that I don't know  
We never had a choice  
This world is too much noise  
It takes me under  
It takes me under once again  
I don't hate you  
I don't hate you, no  
So tell me now  
If this ain't love then how do we get out?  
'Cause I don't know  
That's when she said I don't hate you boy  
I just want to save you while there's still something left to save (whoa, whoa)  
That's when I told her I love you girl

But I'm not the answer for the questions that you still have (whoa, whoa)  
I don't hate you  
I don't hate you (whoa, whoa)  
I don't hate you  
I don't hate you, no  
Whoa, whoa
