

Lotto (feat. Derek Minor)

Canon

Aye, we ain't done nothin
Nothin at all
Oh, but we will
So till the day that we gone
You know we gon put on
We aint losing no more
That's why I-I-I-I-Ima ball
Like I hit the lotto
Like I hit the lotto
Like I hit the lotto
Like I, like I, hit the lotto
My team with it
Me and my dogs
'Cause someone took the heat and that should hit us all
I pledge allegiance
To Him I follow
Because of Him I'm set for life just like I hit the lotto
Okay, my track record's so ruthless
Ima act a fool, that nuisance
'Cause I done hit it big like I done hit the lotto but I feel like I aint got new friends
And my old partners they dont like change
But I aint got no time for no life games
And I dont mean to throw it all on ya face but Im set for life I got all thangs
And I admit it, ya boy was just off a little lost
I was taking the wrong road, When sitting at the cross
It was really the blind leading the blind
So the cost was the people were falling off of the cliff into dark
Killa canon in the past
Hidden in the crowd, living with the wild, fallin in and out, tryna figure out how to get up
out
Cuz I was living in sin, Was on the bench, now I'm coming up off, giving and hitting em off, my team winning now
I aint losin
Im chillin like I hit up the lotto money and now Im cruisin
I tell em I do this
And then they probably thinking that I love money homie but i ain't stupid
So don't act foolish
Its time to celebrate this like a holiday
Now mess around and let that champagne bottle spray uh
Derek Minor:
Aye, we ain't done nothin
Nothin at all
Oh, but we will
So till the day that we gone
You know we gon put on
We aint losing no more
That's why I-I-I-I-Ima ball
(Ball) Like I hit the lotto
(Ball) Like I hit the lotto
(Ball) Like I hit the lotto
Like I, like I, hit the lotto
Derek Minor:
Let me put you on sonny
Celebrating like I got dope boy money
We still raise the trophy whether Bugatti or bummy
But they still calling us losers, I'm like ain't that funny
So hi hater, nice to meet ya
All this real off in the way it's kinda hard to see ya
Its RMG 116 everytime I preach it
At Derek Minor university, it's time to teach you
Why I need worry bout bankroll, When the debt that I owed has been paid so
He erased those, wit his blood flow, I never conceal like a snub nose
So diamonds on neck is the reason I'm winning
Or this luxury car when I'm in it
But I make money, never let it make
Listening to my sermon, can I get a witness?
Preach, when I'm off the leash, let me get a piece
I'm a eat, when I hear a beat, that's really feast
So believe, I'm a never leave, when you looking at me
I'm a beast and I feed, Ima worship the king
This that turn off yo lights flow
Blackout and go off in my zone
You wanna know what am I on?
That go hard until the day I'm gone, lets go
Derek Minor:
Aye, we ain't done nothin
Nothin at all
Oh, but we will
So till the day that we gone
You know we gon put on
We aint losing no more
That's why I-I-I-I-Ima ball
(Ball) Like I hit the lotto
(Ball) Like I hit the lotto
(Ball) Like I hit the lotto
Like I, like I, hit the lotto
