

# Rollin

Jess Glynne

[Verse 1]

Step back, go wrong with me  
Don't hold me down  
I've got a lot to give  
But won't let it out  
I know, I'm sensitive  
Redo it doubt  
You got a lot, a lot, a lot, a lot, a lot to learn  
Karma's a real bitch  
I've been there before  
So if you're trying me  
I need, I know  
All of this back and forth  
I need control  
You got a lot, a lot, a lot, a lot, a lot to learn

[Chorus]

So I'm sayin'  
Fuck your games, this ain't the way I'm rollin'  
The way I'm rollin', the way I'm rollin'  
Hot and cold conversation ain't flowin'  
The wave ain't flowin', the wave ain't flowin'  
I tried, I tried  
Time and time again  
So fuck your games, this ain't the way I'm rollin'

[Post-Chorus]

Ooh-wop  
Ooh-wop

[Verse 2]

I get bored easily  
You're on borrowed time  
If you ain't pleasing me  
There's no more lifelines  
And it's not out your hands  
I've changed my mind  
You got a lot, a lot, a lot, a lot, a lot to learn  
Think you're doin' just enough to keep me there  
Always pullin' back, actin' like you don't care

All this going, going crazy, and that's not fair  
You got a lot, a lot, a lot, a lot, a lot to learn

[Chorus]

So I'm sayin'

Fuck your games, this ain't the way I'm rollin'

The way I'm rollin', the way I'm rollin'

Too much to say, his mouth, it ain't closin'

No, it ain't closin', no, it ain't closin'

I tried, I tried

Time to time again

I tried, I tried

Time to time again

But fuck your games, this ain't the way I'm rollin'

[Post-Chorus]

La-la-la-la-la-la

La-la-la-la-la-la-la

La-la-la-la-la-la

La-la-la-la-la-la-la

La-la-la-la-la-la-la

La-la-la-la-la-la-la

But fuck your games, this ain't the way I'm rollin'

[Bridge]

I tried, I tried

Time to time again

You never let it work

I don't wanna waste my time on you, my time on you

To tell the truth, I've seen the proof

You've got a lot to learn

You've got a lot to learn

[Chorus]

So fuck your games, this ain't the way I'm rollin'

The way I'm rollin', the way I'm rollin'

Too much to say, his mouth, it ain't closin'

No, it ain't closin', no, it ain't closin'

I tried, I tried

Time to time again

I tried, I tried

Time to time again

So I'm sayin'

Fuck your games, this ain't the way I'm rollin'

[Post-Chorus]

La-la-la-la-la-la

La-la-la-la-la-la-la

La-la-la-la-la-la

La-la-la-la-la-la-la  
La-la-la-la-la-la-la  
La-la-la-la-la-la-la

[Outro]

So fuck your games, this ain't the way I'm rollin'  
The way I'm rollin'
