

# Set Fire To the Rain

**Jordan Smith**

I let it fall, my heart  
And as it fell you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me But there's a side to you  
That I never knew, never knew.  
All the things you'd say  
They were never true, never true  
And the games you play  
You would always win. But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name, your name! Sometimes I wake up by the door  
I can't help myself from looking for you.  
I set fire to the rain  
And I threw us into the flames  
When it fell, something died  
'Cause I knew that that was the last time, the last time  
Let it burn  
Let it burn, oh
