## Billie Eilish & Khalid

Thought I found a way  
Thought I found a way, yeah (found)  
But you never go away (never go away) So I guess I gotta stay now Oh, I hope someday I'll  
make it out of here  
Even if it takes all night or a hundred years  
Need a place to hide, but I can't find one near  
Wanna feel alive, outside I can fight my fear Isn't it lovely, all alone  
Heart made of glass, my mind of stone  
Tear me to pieces, skin and bone  
Hello, welcome home  
Walkin' out of town  
Lookin' for a better place (lookin' for a better place)  
Something's on my mind  
Always in my headspace Oh, I hope someday I'll make it out of here  
Even if it takes all night or a hundred years  
Need a place to hide, but I can't find one near  
Wanna feel alive, outside I can fight my fear Isn't it lovely, all alone  
Heart made of glass, my mind of stone  
Tear me to pieces, skin and bone  
Hello, welcome home  
Woah, yeah  
Yeah, ah  
Woah, ah  
Hello, welcome home
