# Nice to Meet Ya

## Niall Horan

I like the way you talk, I like the things you wear
I want your number tattooed on my arm in ink, I swear
'Cause when the morning comes, I know you won't be thereEvery time I turn around, you disappearI wanna blow your mind, just come with me, I swear
I'm gonna take you somewhere warm, you know j'adore la mer
'Cause when the morning comes, I know you won't be there
Every time I turn around, you disappear(I got love for you)
(I got love for you)
Nice to meet ya
(I got love for you)
(I got love for you)
Nice to meet ya, what's your name?
Let me treat ya to a drinkI like the way you talk, I like the things you wear
I want your number tattooed on my arm in ink, I swear
'Cause when the morning comes, I know you won't be there
Every time I turn around, you disappear(I got love for you)
(I got love for you)
Nice to meet ya
(I got love for you)
(I got love for you)One minute, you're there, the next one, you're gone
Been waiting for you all night, so come on
You know what I need, you know what I want
You know what I need now, you know what I need nowNice to meet ya, what's your name?
Let me treat ya to a drink
Nice to meet ya
(I got love for you)
Where ya been?
(I got love for you)
Let me treat ya
(I got love for you)
To a drink
(I got love for you)
Nice to meet ya
