Supa Bwe

[Bridge]

Beat bro ass like, hiyah, hiyah
Back to the cash like, vroom, vroom
30 bad bitches at my party, party
Only real niggas in the room, room
30 bad bitches in my section
Only real niggas in my section
I'ma spend the money, I ain't stressin'
'Cause where I'm from, everyday you breathe is a blessing

[Hook]

Beat bro ass like, hiyah, hiyah
Back to the cash like, vroom, vroom
30 bad bitches at my party, party
Only real niggas in the room, room
30 bad bitches in my section
Only real niggas in my section
I'ma spend the money, I ain't stressin'
'Cause where I'm from, everyday you breathe is a blessing
Where I'm from, everybody need them a blessing
Where I'm from, everybody need them a vest and
Need them a weapon and need some direction
I need me a check, I don't need no suggestions
Nosey lil' bitch askin' me all these questions
Mix up the wok when I need me a beverage
Bring out the Glock when I need me some leverage
Ain't no beefin' in Heaven

[Verse]

Still playing, D-Dance Gavin, Dance
A-All these bills can't fit in my tight pants
Girl ya mans look tight 'cause you lookin'
Like what's cookin'? I'm smoking cookie
My bitch pouring Champagne wrong, she a rookie
Raps raps raps, look where raps took me
I need 4 stacks, stacks, stacks, stacks just to book me
I need 4 stacks, stacks, stacks, stacks just to book me

[Hook]

Beat bro ass like, hiyah, hiyah

30 bad bitches at my party, party
Only real niggas in the room, room
