

Ace of Spades

Riff Raff

Intro:

Flexx

Jody came through put whole team on his back though
I'm talking jody jody high rolla' (oh yea yea yea)

Hook:

Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades
Why you still tight I keep my pockets
Filled with ace of spades

Chorus:

3 4 more kickers

And my night is filled with liquid lava

I'm stretch 5 hundred Got you thinking

Extra commas'

My hole dam life I'm popping yams breathing

Straight tundra'

I keep my glacier by my lungs

And my life is like thunda'

I got it twisted 4 am

It still ain't looking pretty

I got your sister snorting coke

Off my new bitches titties

This life I live is full of cash advances neon waves

Rap game cassius clay (full full)

Full moon razor blade

(Hook x 8)

Why you still tight I keep my pockets
Filled with ace of spades

We wake up 9 am, shooting jumpers, skiing mountains
Brain looking cloudy, flipping Lexus, majestic necklace
We rocking jewels from Australia, gold flexin'
I'm walking like a pirate ship wreck, treasure chest
Four hundred vicious strippers popping pills, sipping liquor
I might as well grab some ass fuck, grab some bitches
Looking like I got the team on my back
Rap game kemosabe, in a papaya maserati

(hook x 8)

Why you still tight I keep my pockets
Filled with ace of spades

Outro:

(I I I I) put my team back doe
My whole team on my back
My my team on my back doe
1 hundred pounds of rice coming through the back doe
Come come come coming though the back doe'
1 hundred pounds of rice coming thought the back (doe doe)
I put my team on my back doe
1 hundred pounds of rice coming through the back doe
Coming through the back doe
Coming through the back doe
Coming through the back doe
My team on my back doe
I put my team on my back doe
I put my team on my back doe
