

Dreamland Express

John Denver

I caught a ride on the
Dreamland express last night
I was sailing on an ocean of blue
And right there by my side
Much to my surprise, was you
I said come over here baby
Let me look in your eyes
Let me see the very heart of you And I couldn't believe it
Or conceive
That my dream would come true
Cause you said, hey there
Sweet daddy
Everything is alright
You know for miles there's
Not a telephone line
There's not a soul to disturb us
Don't be nervous
Just come and be mine
You said
let me be the end of your rainbow
Let me be the stars up above
Let me be the one that you dream of
Baby
Let me be the one that you love
Oh oh
Let me be the one that you love But now its four in the morning
Honey I can't sleep
I can't get you out of my mind
I keep tossing and turning, I'm
Yearning for the sun to shine
I'd like to send you a ticket
On the Dreamland express
And take you far away with me
I've got a vision of heaven
You living there with me
Let me be the stars up above
Let me be the one that you dream of
Baby
Let me be the one that you love
Oh oh
Let me be the one that you love
Let me be the stars up above

Let me be the one that you dream of

Baby

Let me be the one that you love

Oh oh

Let me be the one that you love
