

Jump Then Fall

Taylor Swift

I like the way you sound in the morning
We're on the phone & without a warning
I realize your laugh is the best sound I have ever heard I like the way I can't keep my focus
I watch you talk, you didn't notice
I hear the words but all I can think is we should be together Every time you smile, I smile
And every time you shine, I'll shine for you Whoa, I'm feeling you baby
Don't be afraid to jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'm gonna stay through it all
So jump then fall
Well, I like the way your hair falls in your face
You got the keys to me, I love each freckle on your face
Oh, I've never been so wrapped up, honey
I like the way you're everything I ever wanted I had time to think it over & all I can say is come
closer
Take a deep breath & jump then fall into me 'Cause every time you smile, I smile
And every time you shine, I'll shine for you Whoa, I'm feeling you baby
Don't be afraid to jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'm gonna stay through it all
So jump then fall
...
The bottom's gonna drop out from under our feet
I'll catch you
When people say things that bring you to your knees
I'll catch you
The time is gonna come when you're so mad you could cry
But I'll hold you through the night until you smile
Whoa oh, I need you baby
Don't be afraid please jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'm gonna stay through it all
So jump then fall
Jump then fall, baby
Jump then fall into me, into me Every time you smile, I smile
And every time you shine, I'll shine

And every time you're here, baby I'll show you
I'll show you, you can
Jump then fall
Jump then fall into me
Into to me now
