We Make It Bounce (feat. Major Lazer & Stylo G)

Dillon Francis

Me love when you roll it, oh ma ma ma ma
So make me control it, oh na na na na
When she a back it up and a look pon me
And a eye contact me a pray
Move up ya body, ay galWhen you make it bounce, bounce

Gal make it bounce, bounce, bounce While you make it bounce, bounce, bounce

Me say gal make it bounce, bounce, bounce

When you make it bounce, bounce, bounce

Gal make it bounce, bounce, bounce

While you make it bounce, bounce, bounce

Me say gal make it bounce, bounce, bounceWe make it bounceMe love when you roll it, oh ma ma ma ma

So make me control it, oh na na na na When she a back it up and a look pon me

And a eye contact me a pray

Move up ya body, ay galWhen you make it bounce, bounce, bounce

Gal make it bounce, bounce, bounce

While you make it bounce, bounce, bounce

Me say gal make it bounce, bounce, bounce

When you make it bounce, bounce, bounce

Gal make it bounce, bounce, bounce

While you make it bounce, bounce, bounce

Me say gal make it bounce, bounce, bounceMake it bounce up, make it bounce up, make it bounce up

We make it bounce
