Something About December

Christina Perri

Lights around the tree
Mama's whistling
Takes me back again
Something about December
We're hanging mistletoe
And hoping that it snows
I close my eyes and then
I can still remember
How to get back homeLet all your memories
Hold you close
No matter where you are
You're not alone
Because the ones you love are never far
If Christmas is in your heartWho really needs a gift
When love is meant to give
I can still recall
Carry with me alwaysEvery Christmas dream
They live in you and meLet all your memories
Hold you close
No matter where you areYou're not alone
Because the ones you love are never far
If Christmas is in your heart
Lights around the tree
Mama's whistling
Takes me back again
There's something about December
Let all your memories
Hold you close
No matter where you are
You're not alone
Because the ones you love are never far
If Christmas is in your heart
