

# #1 Crush

## Garbage

I would die for you, I would die for you  
I've been dying just to feel you by my side  
To know that you're mine I will cry for you, I will cry for you  
I will wash away your pain with all my tears  
And drown your fear I will pray for you, I will pray for you  
I will sell my soul for something pure and true  
Someone like you See your face every place that I walk in  
Hear your voice every time that I'm talking  
You will believe in me and I will never be ignored I will burn for you, feel pain for you  
I would twist the knife and bleed my aching heart  
And tear it apart I will lie for you, beg and steal for you  
I will crawl on hands and knees until you see  
You're just like me  
Violate all the love that I'm missing  
Throw away all the pain that I'm living  
You will believe in me and I can never be ignored  
I would die for you, I would kill for you  
I will steal for you, I'd do time for you  
I will await for you, I'd make room for you  
I'd sail ships for you, to be close to you  
To be a part of you cause I believe in you  
I believe in you, I would die for you
