

# The Way I Loved You

## Selena Gomez & The Scene

Everything's cool yeah  
It's all gonna be okay yeah  
And I know  
Maybe I'll even laugh about it someday  
But not today no  
'Cuz I don't feel so good  
I'm tangled inside  
My heart is on my sleeve  
Tomorrow is a mystery to me And it might be wonderful  
It might be magical  
It might be everything I've waited for  
A miracle  
Oh but even if I fall in love again  
With someone new  
It could never be the way  
I loved you  
Letting you go is  
Making me feel so cold, yeah  
And I've been  
Trying to make believe it doesn't hurt  
But that makes it worse yeah  
See I'm a wreck inside My tongue tied and my whole body feels so weak  
The future may be all I really need And it might be wonderful  
It might be magical, ohh oh  
It might be everything I've waited for  
A miracle  
Oh but even if I fall in love again  
With someone new  
It could never be the way  
I loved you  
Like a first love (love)  
My one and only true love  
Wasn't it was written all over my face? yeah  
I loved you like you loved me, oh  
Like something pure and holy  
Like something that can never be replaced And it was wonderful  
It was magical  
It might be everything I've waited for  
A miracle  
And if I should ever fall in love again  
With someone new, oh  
It could never be the way...

No it will never be

The way...

I loved you
