

# Half a Heart

## One Direction

So your friends been telling me  
You been sleeping with my sweater  
And that you can't stop missing me  
Bet my friends been telling you  
I'm not doing much better  
'Cause I'm missing half of me  
And being here without you  
Is like I'm waking up to  
Only half a blue sky  
Kind of there but not quite  
I'm walking round with just one shoe  
I'm half a heart without you  
I'm half a man at best  
With half an arrow in my chest  
I miss everything we do  
I'm half a heart without you  
Forget all we said that night  
No, it doesn't even matter  
'Cause we both got split in two  
If you could spare an hour or so  
We'll go for lunch down by the river  
We can really talk it through  
And being here without you  
Is like I'm waking up to  
Only half a blue sky  
Kind of there but not quite  
I'm walking round with just one shoe  
I'm half a heart without you  
I'm half a man at best  
With half an arrow in my chest  
'Cause I miss everything we do  
I'm half a heart without you  
Half a heart without you  
I'm a half a heart without you  
Though I try to get you out of my head  
The truth is I got lost without you  
And since then I've been waking up to  
Only half a blue sky (Only half a blue sky)  
Kind of there but not quite  
I'm walking round with just one shoe  
I'm half a heart without you  
I'm half a man at best (Half a man at best)  
With half an arrow in my chest  
I miss everything we do  
I'm half a heart without you  
Without you, without you  
Half a heart without you  
Without you, without you  
I'm half a heart without you
