

# Favorite Girl

Justin Bieber

Ah ah ah ah  
Ah ah ah ah  
Ah ah ah ah  
Ah ah ah ah I always knew you were the best  
The coolest girl I know  
So prettier than all the rest  
The star of my show  
So many times I wished  
You'd be the one for me  
But never knew you'd get like this  
Girl what you do to me You're who I'm thinking of  
Girl you ain't my runner up  
And no matter what you're always number one  
My prize possession  
One and only  
Adore ya girl I want ya  
The one I can't live without  
That's you that's you  
You're my special little lady The one that makes me crazy  
Of all the girls I've ever known  
It's you, it's you  
My favorite, my favorite  
My favorite, my favorite girl  
My favorite girl  
You're used to going out your way  
To impress these Mr. Wrongs But you can be yourself with me  
I'll take you as you are  
I know they said believe in love  
Is a dream that can't be real  
So girl let's write a fairytale  
And show 'em how we feel  
You're who I'm thinking of Girl you ain't my runner up  
And no matter what you're always number one  
My prize possession  
One and only  
Adore ya girl I want ya  
The one I can't live without That's you that's you  
You're my special little lady  
The one that makes me crazy  
Of all the girls I've ever known  
It's you, it's you  
My favorite, my favorite

My favorite, my favorite girl  
My favorite girl  
Baby it's you  
My favorite, my favorite  
My favorite, my favorite girl  
My favorite girl You take my breath away  
With everything you say  
I just wanna be with you  
My baby my baby oh  
Promise to play no games  
Treat you no other way  
Than you deserve 'cause you're the girl of my dreams  
My prize possession One and only  
Adore ya girl I want ya  
The one I can't live without  
That's you that's you  
You're my special little lady  
The one that makes me crazy Of all the girls I've ever known  
It's you, it's you  
My prize possession  
One and only  
Adore ya girl I want ya The one I cant live without  
That's you that's you  
You're my special little lady  
The one that makes me crazy  
Of all the girls I've ever known  
It's you, it's you  
My favorite, my favorite  
My favorite, my favorite girl  
My favorite girl  
My favorite, my favorite  
My favorite, my favorite girl  
My favorite girl
