

Two Hearts (2016 Remastered)

[Phil Collins](#)

Well, there was no reason to believe shed always be there
But if you dont put faith in what you believe in
Its getting you nowhere
Cos it hurts, you never let go
Dont look down, just look up
Cos shes always there to behind you, just to remind youTwo hearts, believing in just one mind
You know were two hearts believing in just one mindCos theres no easy way to, to understand it
Theres so much of my life in her, and its like Im blinded
And it teaches you to never let go
Theres so much love youll never know
She can reach you no matter how far
Wherever you are
Two hearts, believing in just one mind
Beating together till the end of time
You know were two hearts believing in just one mind
Together forever till the end of timeShe knows (she knows)
Therell always be a special place in my heart for her
She knows, she knows, she knows
Yeah, she knows (she knows)
No matter how far apart we are
She knows, Im always right there beside her
Two hearts, believing in just one mind
Beating together till the end of time
You know were two hearts believing in just one mind
Together forever till the end of time
You know were two hearts believing in just one mind
You know were two hearts believing in just one mind
