Raw

Sigrid

[Verse 1]
If I show I'm fragile
Would you go ahead and find somebody else?
And if I act too tough, know that I care bout you
I'm honest, no offense[Pre-Chorus]
No, I could never fake it
Like players always playing
Arrest me if I hurt you
But no apologies for being me[Chorus]
I just wanna be pure
You know I'm terrible at putting up a show, oh
That's what you wanted me for?
So I get pissed off when you ask me to be more
Oh, I just wanna be raw
Oh, I just wanna be raw
[Verse 2]
Keeping up appearances
But sometimes, all we need's a little break
Regret the stupid shit I say
I hope that you forgive me any day[Pre-Chorus]
No, I could never fake it
Like players always playing
Arrest me if I hurt you
But no apologies for being me[Chorus]
I just wanna be pure
You know I'm terrible at putting up a show, oh
That's what you wanted me for?
So I get pissed off when you ask me to be more
Oh, I just wanna be raw
Oh, I just wanna be raw
[Bridge]
That's what you wanted me, that's what you wanted me
That's what you wanted me for?
No, I just wanna be, no, I just wanna be
I just wanna be raw
Arrest me if I hurt you
But no apologies for being me[Chorus]
I just wanna be pure
You know I'm terrible at putting up a show, oh
That's what you wanted me for?
So I get pissed off when you ask me to be more
Oh, I just wanna be raw

Oh, I just wanna be raw
I just wanna be raw
