

# Bad Seed

## Five Finger Death Punch

[Verse 1]

I didn't give up the fight, I gave up on what's right  
Everything I should've believed  
I don't care 'bout no one, it's just who I've become  
You swore that I wouldn't succeed

[Pre-Chorus]

I know that you're wrong  
Insanity embraces me  
It's what I chose and it's what I believe  
I still stand here strong

[Chorus]

I won't deny, deny, the sun never shines  
It always rains on me  
I can't deny, deny, that I've never tried  
No honor amongst us thieves  
Inside, inside, I try to survive  
Strangled by the waste  
You can't deny, deny, that I never tried  
It's always been on me

[Post-Chorus]

I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed

[Verse 2]

I gave up on the light, I gave into the night  
I never knew how much I could bleed  
When it's all said and done I still stuck to my guns  
I always knew what I could achieve

[Post-Chorus]

Even if I'm wrong  
Honesty is everything  
It's what I know and it's what I believe  
I still stand here strong

[Chorus]

I won't deny, deny, the sun never shines  
It always rains on me  
I can't deny, deny, that I've never tried  
No honor amongst us thieves  
Inside, inside, I try to survive  
Strangled by the waste  
You can't deny, deny, that I never tried  
It's always been on me

[Post-Chorus]

I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed  
I'm just a bad seed

[Bridge]

Yeah!  
Bad seed!  
Yeah!  
Bad seed!  
I'm just a bad seed

[Chorus]

I won't deny, deny, the sun never shines  
It always rains on me  
I can't deny, deny, that I've never tried  
No honor amongst us thieves  
Inside, inside, I try to survive  
Strangled by the waste  
You can't deny, deny, that I never tried  
It's always been on me

[Outro]

I'm just a bad seed
