

# Tattoos on This Town

Jason Aldean

There's still black marks on that county road  
Where we drag raced our pick ups  
And Mustangs  
And weathered on the summer rain  
And to this day up on that overpass  
Even underneath the new paint  
You can still see  
Allie will you marry me? Take a ride  
Look around  
And there ain't no doubt It sure left it's mark on us  
We sure left our mark on it  
We let the world know we were here  
With everything we did  
We laid a lotta memories down  
Like tattoos on this town  
There's still a rope burn on that old branch  
That hangs over the river  
I still got the scar  
From swinging our a little too far  
There ain't a corner of this hallowed ground  
That we ain't laughed or cried on  
It's where we loved  
Lived and learned a lotta stuff  
It's everything we're made of It sure left it's mark on us  
We sure left our mark on it  
We let the world know we were here  
With everything we did  
We laid a lotta of memories down  
Like tattoos on this town  
Like tattoos on this town  
Everywhere  
It's were we are  
It hits me right  
In my heart It sure left it's mark on us  
We sure left our mark on it  
We let the world know we were here  
With everything we did  
We laid a lotta memories down  
But we'll always be hangin' round  
Like tattoos on this town  
Like tattoos on this town
