

# Craving You (feat. Maren Morris)

Thomas Rhett

Every time we have to say goodbye  
I'm counting down until we say hello  
Every touch is like the strongest drug  
I don't know how much longer I can go I never had something that I can't walk away from  
But, girl, my self-control's so paralyzed  
When it comes to you, no, I ain't got no patience  
There's something 'bout you girl I just can't fight You're like that cigarette  
That shot of 100 proof  
No matter how much I get  
I'm always craving  
That feeling when we kiss  
The way your body moves  
No matter how much I get  
I'm always craving you  
Craving you  
All the in-between is killing me  
You know I come unglued from missing you  
Sunset eyes, no, I don't have to try  
Because you know exactly what to do I never had something that I can't walk away from (walk  
away from)  
But, girl, my self-control's so paralyzed  
When it comes to you, no, I ain't got no patience (I ain't got no patience)  
There's something 'bout you I just can't fight You're like that cigarette  
That shot of 100 proof  
No matter how much I get  
I'm always craving  
That feeling when we kiss  
The way your body moves  
No matter how much I get  
I'm always craving you  
Craving you  
(I'm always craving you)  
Craving you  
Craving you  
Every time we have to say goodbye  
I'm counting down until we say hello  
Every touch is like the strongest drug  
I don't know how much longer I can go  
(Yeah, yeah, yeah)  
You're like that cigarette  
That shot of 100 proof  
No matter how much I get

I'm always craving  
That feeling when we kiss  
The way your body moves  
No matter how much I get  
I'm always craving you, yeah  
Craving you  
Craving you  
(I'm craving you baby)  
I'm craving you  
I'm craving you babe
