

# I Wanna Know (feat. Nico & Vinz)

Alesso

I've been hit by stars  
A beauty you are, a beauty you are  
Day turns into night  
You light up my dark, you light up my dark You're the one that I see waking up next to me  
And I hope it's the same for you  
But you play with my mind when you send me these signs  
And I see other guys get 'em too I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh  
Where do we go? Where do we go?  
From hey-ey-eh, hey-ey-eh Why are you keeping me on hold?  
Don't wanna leave this place alone  
Is it a yes, or is it no?  
Ah-ooh!  
I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh Diamonds in your eyes cover your lies, cover your lies  
Trust me, we can be special tonight, special tonight You're the one that I see waking up next to me  
And I hope it's the same for you  
But you play with my mind when you send me these signs  
And I see other guys get 'em too I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh  
Where do we go? Where do we go?  
From hey-ey-eh, hey-ey-eh Why are you keeping me on hold?  
Don't wanna leave this place alone  
Is it a yes, or is it no?  
Ah-ooh!  
I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh Ooooooh-ooh-oooooh  
Trust me, we can be special tonight, special tonight I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh  
(I want you)  
Where do we go? Where do we go?  
From hey-ey-eh, hey-ey-eh  
(I want you) Why are you keeping me on hold?  
Don't wanna leave this place alone  
Is it a yes, or is it no?  
Ah-ooh! I wanna know, I wanna know  
Hey-ey-eh, hey-ey-eh
