

Playboy Style (feat. Charli XCX & Bhad Bhabie)

Clean Bandit

[Intro: Charli XCX & Bhad Bhabie]

Uh, oh damn

Uh, uh, oh damn

It's Clean Bandit

With Charli XCX and Bhad Bhabie, bitch! [Verse 1: Charli XCX]

Had a lover undercover, kept it on the low

Said that you meant nothing but my feelings really grew

Not that I regret you but I met you, went insane

Oh, oh, yeah

Didn't need forever but I needed just a call

Every night at 3 A.M I'm banging on your door

Crying on the marble where we used to fuck 'til dawn

Oh, oh

[Pre-Chorus: Charli XCX]

What you doing to me?

Used to be a scene from a movie

Now I'm crying tears like a baby

Looking in the mirror, I don't know me

Oh, yeah yeah [Chorus: Charli XCX]

Fell in love with a bad, bad dude

Playboy style, should've seen right through

All my friends, they could see the truth

You never loved me, you never loved me, yeah yeah

It's so rare for a girl like me

Playboy style, got me fallin' deep

Did that dirt and I got receipts

You never loved me, you never loved me, yeah yeah [Post Chorus: Charli XCX]

La-la-la-la-la-la-la-la, La-la-la-la-a

La-la-la-la-la-la-la-la, La-la-la-la-a

[Verse 2: Bhad Bhabie & Charli XCX]

When you making checks on checks they chase you for that dollar bill (What a bitch)

But where the fuck was you when all I had to eat was dollar meals? (Where was you at?)

Thought we'd have a run, boy

Thought you was the one, boy

But as I'm growing all the wiser I don't want no young boys (Oh no)

Too many on me and I don't discriminate (Nope)

Might take that bitch on a dinner date ([?])

Fashion Nova, new collection (Bitch)

[?] on me, I don't gotta wait (Oh, you mad)

Gotta treat me like a lady (Like a lady)

But I'm still a bhad bhabie (Lady)
[?] texts on texts and I'm sorry it's Bhabie with XCX
Yeah yeah[Chorus: Charli XCX]
Fell in love with a bad, bad dude
Playboy style, should've seen right through
All my friends, they could see the truth
You never loved me, you never loved me, yeah yeah
It's so rare for a girl like me
Playboy style, got me fallin' deep
Did that dirt and I got receipts
You never loved me, you never loved me, yeah yeah[Bridge: Charli XCX]
Yeah, you said no one was home
Too bad he's making shapes with the lights on
I hope she's what you want, uh
Can't believe I let a Playboy play me so damn good
Teardrops down the counter from the girls from Hollywood
Kiss him better, then you leave him, then you hide the truth
Oh, oh, yeah yeah[Chorus: Charli XCX]
Fell in love with a bad, bad dude
Playboy style, should've seen right through
All my friends, they could see the truth
You never loved me, you never loved me, yeah yeah
It's so rare for a girl like me
Playboy style, got me fallin' deep
Did that dirt and I got receipts
You never loved me, you never loved me, yeah yeah[Outro: Charli XCX]
La-la-la-la-la-la-la, La-la-la-la-a
Uh, uh, oh damn
La-la-la-la-la-la-la, La-la-la-la-a
