One Margarita

Luke Bryan

Everybody here ain't from here
But we're here doin' our thing
Lettin' go a little, little by littleSippin' on a frozen drinkTiki bars tik'n pourin' all weekend
Clouds ain't leakin' no rain
Two pieces shakin' white caps breakin'
We ain't feelin' no pain, it goes likeOne margarita
Two margarita
Three margarita, shot!
Don't worry 'bout tomorrow
Leave all your sorrow out on the floatin' dock
When that sun lays down
We'll be on our way
One more barefoot round
One more last chance to say
Hey Señorita! don't you think we need
A salt and a Buffett song!
One margarita
Two margarita
Three margarita
We'll be gone!Ice blue skies, shades on the eyes
To tuck the bloodshot away
Hair of the dog, shouldn't take long
But who cares, we got all day
Palm trees leanin', sunburn screenin'
But we'll all be alright, after
One margarita
Two margarita
Three margarita, shot!
Don't worry 'bout tomorrow
Leave all your sorrow
Out here on the floatin' dock
When the sun lays down
We'll be on our way
One more barefoot round
One more last chance to say
Hey Señorita! don't you think we need
A salt and a Marley song
One margarita
Two margarita
Three margarita
We'll be gone!
We'll be gone!

Tiki bars tik'n, pourin' all weekend
Clouds ain't leakin' no rain
Two pieces shakin', white caps breakin'
We ain't feelin' no pain, feelin' no pain
It goes likeOne margarita
Two margarita
Three margarita, shot!
Don't worry 'bout tomorrow
Leave all your sorrow
Out here on the floatin' dock
When the sun lays down, we'll be on our way
One barefoot round
One more last chance to say
Hey Señorita! don't you think we need
A salt and a Chesney song!One margarita
Two margarita
Three margarita
We'll be gone!
We'll be gone!
We'll be gone!
