

# Just My Imagination (Running Away With Me)

## The Temptations

[Verse 1]

Each day through my window I watch her as she passes by  
I say to myself you're such a lucky guy  
To have a girl like her is truly a dream come true  
Out of all the fellows in the world she belongs to me

[Chorus]

But it was Just my imagination, runnin' away with me  
It was just my imagination runnin' away with me

[Verse 2]

Soon we'll be married and raise a family (Oh yeah)  
A cozy little home out in the country with two children, maybe three  
I tell you I can visualize it all  
This couldn't be a dream for too real it all seems

[Chorus]

But it was just my imagination once again runnin' away with me  
Tell you it was just my imagination runnin' away with me

[Bridge]

Ev'ry night on my knees I pray, Dear Lord, hear my plea  
Don't ever let another take her love from me or I would surely die  
Her love is heavenly, when her arms enfold me  
I hear a tender rhapsody; but in reality she doesn't even know me

[Chorus]

Just my imagination once again runnin' away with me  
Tell you it was just my imagination runnin' away with me  
No, no, no, no, no, no, no, I can't forget her  
Just my imagination once again runnin' away with me  
Just my imagination runnin' away with me
