

# A Perfectly Good Heart

Taylor Swift

[Chorus]

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?

[Verse]

Maybe I should've seen the signs, should've read the writing on the wall  
And realized by the distance in your eyes that I would be the one to fall  
No matter what you say, I still can't believe  
That you would walk away  
It don't make sense to me, but

[Chorus]

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?

[Bridge]

It's not unbroken anymore  
How do I get it back the way it was before?

[Chorus]

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?  
Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?
