[Intro: DJ Honorz & Bali Baby]

Muah

Boss shit only

[Chorus: Bali Baby]

Dash dash I'm doing the dash  
Got a little Spanish bitch and now she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass  
Dash dash I'm doing the dash  
Got a little Spanish bitch and now she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass  
Dash dash I'm doing the dash  
Got a little Spanish bitch and now she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass

[Verse 1: Bali Baby]

Left that bitch in the past  
My niggas gon ride for me put you in a cask  
My ice is so cold that you think I'm in a lab  
Flimsy nigga, yeah you know that you are flaccid  
Getting to the top it's my first task  
Spoiled bitch in diapers and I'm ridding in first class  
Haha  
Yeah you niggas make me laugh  
Bad bitch want a baby then you know I'm going half  
Lean lean lean is slowing me down  
Let a nigga run up  
Then he out for the count  
Haha  
Catch up, left the hoe cause little hoes act up  
Five gang or get clapped up  
Pussy's smooth cause she know she get her naps cut

[Chorus: Bali Baby]

Dash dash I'm doing the dash  
Got a little Spanish bitch and now she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass  
Dash dash I'm doing the dash  
Got a little Spanish bitch you know she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass  
Dash dash I'm doing the dash  
Got a little Spanish bitch and now she shaking her ass  
Too foreign to fast  
I might just crash  
Snakes are all gone cause I'm cutting my grass

[Outro: Bali Baby]

Dash dash I'm doing the dash  
Shaking her ass  
Shaking her ass  
I might just crash  
I might just crash
