

# Tin Man

Miranda Lambert

Hey there Mr. Tin Man  
You don't know how lucky you are  
You shouldn't spend your whole life wishin'  
For something bound to fall apart  
Everytime you're feeling empty  
Better thank you lucky stars  
If you ever felt one breaking  
You'd never want a heartoooooooo, ooooooooo, ooooooooo, ooooooooo, ooo

Hey there Mr. Tin Man  
You don't know how lucky you are  
I've been on the road that you're on  
It didn't get me very far  
You ain't missing nothing  
Cause love is so damn hard  
Take it from me darlin'  
You don't want a heartoooooooo, ooooooooo, ooooooooo, ooooooooo, ooo  
oooooooo, ooooooooo, ooooooooo, ooooooooo, ooo

Hey there Mr. Tin Man  
I'm glad we talked this out  
You can take mine if you want it  
It's in pieces now  
By the way there Mr. Tin Man  
If you don't mind the scars  
You give me your armor  
And you can have my heartoooooooo, ooooooooo, ooooooooo, ooooooooo, ooo  
oooooooo, ooooooooo, ooooooooo, ooooooooo, ooo
