

Busted Heart (Hold On To Me)

for KING & COUNTRY

[Verse 1: Luke]

Winter has come back again
Feels like the season won't end
My faith is tired tonight
And I won't try to pretend
I've got it all figured out
That I don't have any doubts
I've got a busted heart
I need You now
Yeah I need You now

[Chorus: Joel]

Hold on to me
Hold on to me
Don't let me lose my way
Hold on to me

[Verse 2: Luke]

I am the wandering son
Enough is never enough
I keep chasing the wind
Instead of chasing Your love
I'm screaming out Your name
Don't let me fall on my face
I've got a busted heart
I'm in need of a change
Yeah, I'm desperate for grace

[Chorus]

Hold on to me (Hold on to me)
Hold on to me
Don't let me lose my way (Don't let me lose my way)
Hold on to me

[Bridge: Luke]

Broke your heart a thousand times
But You've never left my side
You have always been here
For me

You never let me go
You never let me go
Don't ever let me go

[Chorus]

Hold on to me (Hold on to me)
Hold on to me
Don't let me lose my way (Don't let me lose my way)
Hold on to me
[2x]

[Outro: Luke]

Winter will come to an end
Soon the season will end
I surrender tonight
You meet me right where I am
