

The Beautiful Ones (feat. Dru Hill)

Mariah Carey

Baby, baby, baby
What's it gonna be
Oh, baby, baby, baby
Yeah, yeah
Is it him or is it me
Whoa
Don't make me waste my time
Do do do
Don't make me lose my mind, yeah
Baby, baby, baby
Can't you stay with me tonight
Oh, baby, baby, baby
Com'on
Don't my kisses please you right
You were so hard to find
Do do do
The beautiful ones
They hurt you every time
Paint a perfect picture, baby
And bring to life a vision in one's mind
The beautiful ones
The beautiful ones
They always smash the picture
Yeah, always, baby, every time
Check it out- Mariah
Do do do do do do
Do do do
Do do do do do do
Do...
If I told you, baby
That I was in love with you
Oh, baby, baby, baby
If we got married
Would that be cool
You make me so confused
The beautiful ones
You always seem to lose, baby
Baby, baby
The beautiful ones
The beautiful ones
They always
The beautiful ones

The beautiful ones
Always
Do you want him
Or do you want me
'Cause I want you
Yes I do, baby
I want you, oh baby
Alright, baby
I want you, oh yeah
(I want you)
Baby, baby...
I may not know...
I may not know...
But one thing is for certain, baby
And I know what I want
And that is I want to please you, baby
Please you, baby
I want you...
Oh, baby, baby, baby
I need you, yeah
Baby, baby, baby
Love me, love me
Need, need, need
I gotta know
I gotta know, baby
Baby, baby, baby...
I need you
Baby, baby, baby
I want you...
The beautiful ones
They hurt you every time
