

Middle of Your Heart

for KING & COUNTRY

[Verse 1]

This is where it begins
This is where all the worry ends
This is where I say I don't need to have control
This is where I admit
I don't know how to handle it
Life in all of this chaos
You're my only hope

[Pre-Chorus 1]

And all that I have to offer
Is the white flag of surrender

[Chorus]

So take me to the middle of Your heart
Lead me to wherever Your love starts
To a new day dawning
To the place You are
And if You want to take me over the edge
I'll let you cause Your love is where I'll land
Wanna be right where You are
In the middle of Your heart

[Verse 2]

This is what I believe
That if I give you my everything
I will become who I was really born to be

[Pre-Chorus 2]

I'll stand up and say it
Yeah, Your love is something I can put my faith in

[Chorus]

So take me to the middle of Your heart
Lead me to wherever Your love starts
To a new day dawning
To the place You are
And if You wanna take me over the edge
I'll let you cause Your love is where I'll land
Wanna be right where You are

In the middle of Your heart

[Bridge]

What I carry...

What I carry...

But now I can let it go

Yeah I carry it

Lord I carry it

But now I can let it go

Yeah I can let it go

[Chorus]

So take me to the middle of Your heart

Lead me to wherever Your love starts

To a new day dawning

To the place You are

And if You wanna take me over the edge

I'll let you cause Your love is where I'll land

Wanna be right where You are

In the middle of Your heart

The middle of Your heart
