

# Shake Me Like a Monkey

## Dave Matthews Band

The thing I like about you  
The way you do what you do  
The thing I like about you  
God or the devil alone could not have made you up  
Two must have worked as one together  
So good just want to eat you up  
Let me like the real thing  
Lick your sticky fingers boy and sing for your dinner sing Come on pretty baby make me lose  
my mind  
Everybody get together gonna make love shine Do you know what it is to feel the light of love  
inside you  
And all the darkness falls away  
If you feel the way I feel then I believe we have the answer  
That I've been searching for tonight  
Love me baby love me baby shake me like a monkey baby  
Forever I'm yours yours yours yeah  
Forever I am  
I I I can't stop thinking about you  
Yeah yeah yeah  
Why would I want to  
I like my coffee with toast and jelly  
But I'd rather be licking from your back to your belly  
I think that I'm going to CHORUS Cigarettes and coffee broken hearts and being lonely  
Little girls and ponies are the things that go together  
Yes and no you have to choose Romeo and Juliet  
The hangman and his noose  
You and me we go good together Kiss kiss make a wish  
Hoping it comes true  
But I ain't waiting for the world to change  
Gonna change the world for you  
Come on pretty baby make you lose your mind  
Everybody get together gonna make love shine Do you know what it is to feel the light of love  
inside you  
And all the darkness falls away  
If you feel the way I feel then I believe we have the answer  
That I've been searching for tonight  
Love me baby love me baby shake me like a monkey baby  
Forever I'm yours yours yours yeah  
Forever I am  
Come on baby  
Yay yay yay  
Oh oh
