

# Across the Sea

Weezer

[Verse 1]

You are eighteen year-old girl  
Who live in small city of Japan  
You heard me on the radio  
About one year ago and you wanted to know  
All about me and my hobbies  
My favorite food and my birthday

[Chorus]

Why are you so far away from me?  
I need help and you're way across the sea  
I could never touch you  
I think it would be wrong  
I've got your letter  
You've got my song

[Verse 2]

They don't make stationery like this where I'm from  
So fragile, so refined  
So I sniff and I lick your envelope  
And fall to little pieces every time  
I wonder what clothes you wear to school  
I wonder how you decorate your room  
I wonder how you touch yourself  
And curse myself for being across the sea

[Chorus]

Why are you so far away from me?  
I need help and you're way across the sea  
I could never touch you  
I think it would be wrong  
I've got your letter  
You've got my song

[Guitar Solo]

[Bridge]

At 10, I shaved my head and tried to be a monk  
I thought the older women would like me if I did  
You see, ma, I'm a good little boy (good little boy)

It's all your fault, momma, it's all your fault!

[Verse 3]

Goddamn, this business is really lame  
I gotta live on an island to find the juice  
So you send me your love from all around the world  
As if I could live on  
Words and dreams and a million screams  
Oh, how I need a hand in mine to feel...

[Chorus]

Why are you so far away from me?  
Why are you so far away from me?  
I could never touch you  
I think it would be wrong  
I've got your letter  
You've got my song

[Outro]

(I've got your letter) I've got your letter  
You've got my song
