

Nana (feat. Action Bronson)

Chance the Rapper

Introducin' Chance the Ruthless
Trip 'shrooms and lucy
Dreams is lucid
Loosely based on music
Swallow my mucus
Hope your pussy get herpes and yo' ass get lupus
Deuces Douches. deuce deuce I'll shoot ya (BANG)
Shoes might boot cha and a suit might suit cha
They be on bullshit but they really don't do shit
The use of illusion, could confuse Confuscious
Nasty, ashy, cigarette ashing, 'til my voice get raspy
Last week suspended
Last night kissed Va\$htie
Parleyed with Ashley
Always in the hallway, so I never been classy
(Ha ha ha) Shut up
Na na na, na na na
Na na na, na na na
Na na na, na na na
(Igh, igh, igh, igh!) Acid acid, get it? Acid
Melts through plastic, I spit fired
Pad my palette, talkin' paper
If this was work, I'd get higher-ed
Pardon my mishaps, burp and get murdered
Fart and get bitch-slapped, like bourbon mixed with jack
Lickety-split, lickety-slipped on a shell
From peelin' banana split backs
Give me my Kit-Kat
Don't break me off shit, batch, fuck is you mean bitch?
Zan with that lean bitch, zan with that lean bitch
Zan with that chakra
I eat it like Idi Amin, you know what I mean
Hit me back when that mean shit
Na na na, na na na
Na na na, na na na
Na na na, na na na
(Igh, igh, igh, igh!) Introducin', It's Bronsonlino
With my hair slicked back, I look like Rick Pitino
3 Japanese dykes in my El Camino
Lettin' trees blow, oh
I rep the East Coast, I got a team of hoes like Pat Summit
I look like Arnold Schwarzenegger in a black hummer

I splash summer like a fast brother
With a number on his back, ain't no fumblin', in fact, I'm -
Back, acid in my hat
Shoot then pass the gat, it's at the bottom of the river in a plastic bag
My new shorty got a gymnastic back
87 that move green on a classic jag
She had the cleft palate, I ordered chef's salad
She had the club foot, with that little arm
I couldn't help but laugh, she ordered Chicken Parm
I had the full Bulls warm-up with the Pippens on Blow me
Suck my motherfucking dick, it's the young Randy Velarde
Queens, baby
