

The Damage in Your Heart

Weezer

[Verse 1]

One more time
I have crossed the line
Now you won't be mine
Anymore
One more dream
Vanished up in smoke
Now I have no hope
Anymore

[Chorus]

Let it go, the damage in your heart
Let it go, the damage in your heart
I can't tell you how the words have made me feel
I can't tell you how the words have made me feel

[Verse 2]

One more tear
Falling down your face
Doesn't mean that much to the world
One more loss
In a losing life
Doesn't hurt so bad
Anymore

[Chorus]

Let it go, the damage in your heart
Let it go, the damage in your heart
I can't tell you how the words have made me feel
I can't tell you how the words have made me feel

[Guitar Solo]

[Reprise]

One more tear
Falling down your face
Doesn't mean that much to the world

[Chorus]

Let it go, the damage in your heart

Let it go, the damage in your heart
I can't tell you how the words have made me feel
I can't tell you how the words have made me feel

[Outro]
I can't tell you
I can't tell you
I can't tell you
How the words have made me feel
