

# If This Was a Movie

Taylor Swift

Last night I heard my own heart beating  
Sounded like footsteps on my stairs  
Six months gone and I'm still reaching  
Even though I know you're not there  
I was playing back a thousand memories, baby  
Thinking about everything we've been through  
Maybe I've been going back too much lately  
When time stood still and I had you  
Come back, come back, come back to me like  
You would, you would if this was a movie  
Standing in the rain outside until I came out  
Come back, come back, come back to me like  
You could, you could if you just said you're sorry  
I know that we could work it out somehow  
But if this was a movie, you'd be here by now  
I know people change and these things happen  
But I remember how it was back then  
Wrapped up in your arms and friends were laughing  
Cause nothing like this ever happened to them  
Now I'm pacing down the hall  
Chasing down your street  
Flashback to night when you said to me  
And nothing's gonna change, not for me and you  
That before I knew how much I had to lose  
Come back, come back, come back to me like  
You would, you would if this was a movie  
Standing in the rain outside until I came out  
Come back, come back, come back to me like  
You could, you could if you just said you're sorry  
I know that we could work it out somehow  
But if this was a movie, you'd be here by now  
If you're out there, if you're somewhere, if you're moving on  
I've been waiting for you ever since you've been gone  
I just want it back the way it was before  
And I just want to see you back at my front door  
And I'd say  
Come back, come back, come back to me like you would  
Before you said it's not that easy  
Before the fight, before I let you walk  
But I take it all back now  
Come back, come back, come back to me like  
You would, you would if this was a movie  
Standing in the rain outside until I came out  
Come back, come back, come back to me like  
You could, you could if you just said you're sorry  
I know that we could work it out somehow

But if this was a movie, you'd be here by now  
You'd be here by now  
It's not the kind of ending you wanna see now  
Baby, what about the ending  
Oh I thought you'd be here by now  
That you'd be here by now
