Westside Gunn

[Verse]

Ayo, there go Connie's son shootin' out the Porsche roof
Praying five times a day, I got court soon
Randy on the porch with his dope spoon
Louie slippers, Louie robes on my mistress
Gold .40 cal with the wiped off digits
Neck full of riches, watch Ulysses
Mulsanne, guts suede, how could you miss us
All my niggas decorated, Dior trenches
Ask who fucking with me and get crickets
At Mr. Everything, chicken and rice
Rocking heavy bling, you see the difference
