

# Blast Off

David Guetta & Kaz James

This is the blast off  
Time to blow this up  
So best you run for cover  
We are about to hit self-destruct  
Got all my people with me  
And none of us give a fuck  
So put dem hands up higher  
Let's smash this party up  
This is the blast off  
Time to blow this up  
So best you run for cover
