

# Beautiful Now (feat. Jon Bellion)

Zedd

I see what you're wearing  
There's nothing beneath it  
Forgive me for staring  
Forgive me for breathing We might not know why  
We might not know how  
But, baby, tonight  
We're beautiful now We're beautiful now  
We're beautiful now We might not know why  
We might not know how  
But, baby, tonight  
We're beautiful now  
We'll light up the sky  
We'll open the clouds  
'Cause, baby, tonight  
We're beautiful now  
We're beautiful We're beautiful Wherever it's going  
I'm gonna chase it  
What's left of this moment  
I'm not gonna waste it Stranded together  
Our worlds have collided  
This won't be forever  
So, why try to fight it? We're beautiful now  
We're beautiful now  
We might not know why  
We might not know how  
But, baby, tonight  
We're beautiful now We'll light up the sky  
We'll open the clouds  
'Cause, baby, tonight  
We're beautiful now  
We're beautiful We're beautiful Let's live tonight like fireflies  
And one by one, light up the sky  
We disappear and pass the crown  
You're beautiful, you're beautiful We're beautiful now  
We're beautiful now (beautiful)  
We're beautiful now  
We're beautiful now  
We're beautiful We're beautiful  
We're beautiful now We're beautiful now  
We're beautiful now  
We're beautiful now  
We're beautiful now We're beautiful
